kidneys, and Mrs. Sallie Lewis reports one that had only one kidneys. If the "no-fence" law was not in force here, one might suppose that had met together had met together "Deed from James J. Jenkins and wife to Bessie S. Adams for 25 acres Lettsburg district. **ASK YOUR** DOCTOR!

Ask your physician this ques-tion, "What is the one great remedy for consumption?" He will answer, "Cod-liver oil." Nine out of ten will answer the same way.

Yet when persons have consumption they loathe all fatty foods, yet fat is necessary for their recovery and they cannot take plain codliver oil. The plain oil disturbs the stomach and takes away the appetite. The disagreeable fishy odor and taste make it almost unendurable. What is to be done?

This question was ans-wered when we first made SCOTT'S EMULSION

of Cod-Liver Oil with Hypophosphites. Although that was nearly twenty-five years ago, yet it stands alone today the one great remedy for all affections of the throat and lungs.
The bad taste and odor have been

taken away, the oil itself has been partly digested, and the most sensitive stomach objects to it rarely. Not one in ten can take and digest take SCOTT'S EMULSION and digest it. That's why it cures so many cases of early consumption. Even in advanced cases it brings comfort and greatly prolongs life. SCOTT & BOWNE, Chemists, New York.
